Essay Topic

The Center for Ethics and Advocacy in Healthcare is a “work in progress” and those who contribute to fulfilling its mission need to be adaptable, innovative, and self-directed. Give an example of a situation you confronted (whether on the job or in your personal or academic experience) with little direction from a supervisor or teacher. Discuss how you handled it.

The text should be at least one page but no longer than two pages, double-spaced.

Deadline for materials to be submitted: March 22, 2010
